THIRD DMI FOUNDATION DAY SYMPOSIUM

13-14 FEBRUARY, 2017

GANDHIAN PATHWAYS
towards
SUSTAINABILITY

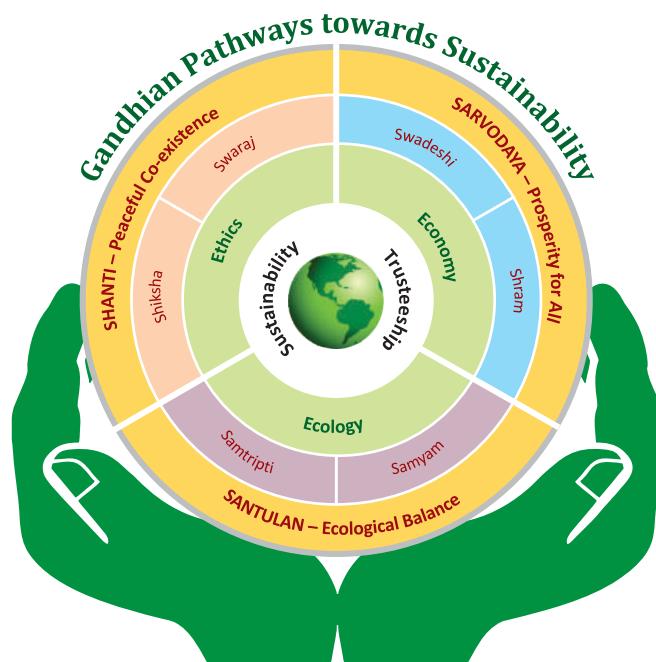

Venue: A N Sinha Institute of Social Studies, PATNA, INDIA

The first Satyagraha movements inspired by Mahatma Gandhi occurred in Champaran district of Bihar during 1917, and in Ahmedabad and the Kheda districts of Gujarat during 1918. These movements not only heralded, but laid the foundation for later movements like country-wide Satyagraha against the Rowlatt Bill during 1919; non-violent non-co-operation movement for Swaraj and Gandhiji's seven point programme, Hindu-Muslim unity, removal of untouchability by surrendering titles and honorary posts awarded by the Government, boycotting Government schools, colleges, courts, and legislatures, by starting national schools and by using Khadi during 1920.

The third DMI Foundation day Symposium is being organised in commemoration of the centenary year of Champaran Satyagraha movement led by Mahatma Gandhi, and will seek to understand Gandhian vision and re-discover pathways towards sustainability.

The symposium is organised around the following themes reflecting the Gandhian thoughts and practices:

1. Trusteeship and Sustainability
2. Ecological Balance -
Samtripti and Samyam for
SANTULAN
3. Peaceful Co-existence -
Shiksha and Swaraj for **SHANTI**
4. Prosperity for All -
Swadeshi and Shram for
SARVODAYA

Participation in the Symposium

Participation is open to academics, scholars, policymakers, and practitioners. Interested persons are requested to send their professional profile (about 200 words) by e-mail at symposium@dmi.ac.in

Papers for Presentation

Papers and case-studies on the above four themes and based on Gandhian thoughts and practices are invited for presentation at the Symposium. Authors are advised to adhere to the following guidelines:

- **Abstract:** Not more than 200 words
- **Length of Paper:** Not more than 3,000 words, excluding tables, references and pictures
- **MS-word;** Margin on all sides - 2.5 cm; Font- Times New Roman; Font Size- 12; Line Spacing- 1.5
